## Pre K 4 News

### Writing

Coloring and painting are just a couple things we do to help develop fine motor skills. The children enjoy it and it helps them creatively as well.

Another thing we do in school is match a written word to an object. Children begin to associate letters to words and naturally begin putting them together to sound them out. Now that's using your noodle!

### Reading

**What a small, yet powerful, word. As preschool teachers we hear it all of the time... and it's never too much!**

**This week we are celebrating Valentine's Day and we will read about the real St. Valentine, and how his unselfish love for God, and one of his students, helped him become the Saint whose name we celebrate every year on February 14.**

**Letters we are learning:  
 Nn, Ww, Pp, Hh, Mm, Aa, Bb, Kk, Dd, Ff, Oo, Cc, Ee, Yy, Gg, Tt, and Vv!**

**Enjoy these pictures from our field trip to the Children's Museum of Phoenix on February 2.**

### Upcoming Events

**3 and 4-Year Old Valentine Party!**  
 Caroline Economopoulos and Dena Economopoulos are in charge of our preschool Valentine's Day party!

We will celebrate and exchange Valentines on Monday, February 14, from 11am to 11:50am. Everyone is welcome!

**Greater Love has no man than this: that a man lay down his life for his friends.  
 Jesus**
