Pre K 4 News

Writing

With our SCIENCE FAIR on Wednesday, and the preschooler's SHARING their projects and displays of SPACE, we are certain to have a SUPER week learning the letter "Ss"!

In addition, next week is SPIRIT WEEK to celebrate the 100th day of SCHOOL! Tuesday is Team HTA Day, so make sure your preschooler represents his favorite player from his favorite SPORT with HTA pride!

Reading

Sports, Science, and things that are Bountiful are all themes for our Spirit Week, as well as, subjects we can read about to reinforce all of the fun that we will be having.

On President's Day our nation celebrates the birthdays of two of our US presidents, George Washington and Abraham Lincoln. Your preschoolers will learn how each helped shape our country!

Letters we are learning:

Nn, Ww, Pp, Hh, Mm, Aa, Bb, Kk, Dd, Ff, Oo, Cc, Ee, Yy, Gg, Tt, Vv, and Ss!

Because we will celebrate our 100th Day of School on Wednesday, all week long we will do our best to count all the way to 100!

There are so many ways we can do that!

100 Pennies = \$1.00

100 Cheerios = A pretty good snack

100 Jelly Belly's = A lot of jelly beans!

You get the idea!

Upcoming Events

Spirit Week!

Tuesday – Team HTA Day!

Wednesday – 100 Days with PJs!

Thursday – Sock-It to Science Day!

Friday – Bountiful Bands and Bracelets Day!

HTA Science Fair

In the HTA Wing of the Education Building
