**40 is a BIG number in the Orthodox Faith:
40 days of the great flood; 40-days before
a newborn is presented to the church,
40-days that Jesus walked in desert after
being baptized, and 40-days of Great Lent
to prepare for the resurrection of our Lord
and Saviour Jesus Christ!**

We are still counting!!!

Upcoming Events

As we continue to learn about the Greeks and their heritage and culture, it is important for us to reinforce what we do now as families and possibly new traditions that make our family unique.

We are continuing to ready ourselves for Pascha by teaching them the Golden Rule of "Do unto others as you would have them do unto you." They are doing that by communicating and using their words to express themselves and letting others know how they feel. It is a wonderful way to let each other know to make thoughtful choices on the playground, in the classroom, during lunch, and in Chapel.

Keep communication open at home by having your children tell you what they did in school that day, who they played with, or sat with at lunch. Having them tell you will give you a wonderful view into their magical world!

If you live to be a hundred, I want to live to be a hundred minus one day, so I never have to live without you.
