Writing

Over the course of this year your child has learned a great many things. For instance, how to hold a writing utensil and make either letter marks for their name and many have learned how to write clearly and efficiently.

In addition they are very familiar with the written word and can recognize many of them in our classroom, such as the days of the week and the months of the year!

We will continue to reinforce all of these things through the end of the year and I hope you will encourage all they have learned, and more, with fun and exciting things to see and do before they enter their first step into elementary school!

Thank you to all of the parents who participated in our event.

But Jesus called them to him, saying, "Let the children come to me, and do not hinder them; for to such belongs the kingdom of God. Truly, I say to you, whoever does not receive the kinadom of God like a child shall not enter it." (Luke 18:16-17)
