Writing

Learning letters, making sounds, and forming words are all a part of learning to read and write. One of the fun things we do in our class is write the names of each student on the white board and have them try to recognize and sound out their own names, as well as, the names of their friends. It's an easy and fun way for them to learn and decipher first letter sounds using the names of people they all know outside their own family!

Letters we are working on: Mm, Aa, Bb, and Kk.

M is for marshmallows; A is for apples; B for balloons; and K for kites. Cute and meaningful projects will accompany each letter all for you to put in your child's keepsake box!

Reading

By the Light of the Moon follows **Mother Mouse** who must **move** her small **mouse** to a safer place. Her friend, **Mole**, helps her find the best spot with the perfect light of the **moon**.

Johnny Appleseed is a great introduction to the life and legend of how John Chapman loved apples so much that he planted trees all over the USA and became the man we all know as, Johnny Appleseed.

Beautiful Blessings is an inspirational book that shares all of the miraculous wonders that God has given us to enjoy and share!

If we all did the things we are capable of doing, we would literally astound ourselves.

Thomas Alva Edison

Math

We are continuing to work on the calendar, learning numbers, days of the week, and months of the year. The children love to show off their knowledge, both in Greek and in English! Keep practicing at home – Their confidence is spilling over to the classroom!
