## Pre K 4 News

### Writing

**Nn, Ww, Pp, Hh, Mm, Aa, Bb, and now the letter Kk!**

Our focus for the letter Kk will be KINDNESS and how we can incorporate being kind every day no matter where we are. The class will make a kite, put the letter Kk on it, and think of a kind rule that will be written on it and will be transferred to a BIG kite with all the Kindness Rules written out for the students at HTA's preschool to follow!

### Reading

A Book of Kisses shows many people and animal and the way they show affection with kisses!

"K" is for Kite is a wonderful alphabet book on wonderful things that God created!

Patty's Pumpkin Patch is another alphabet book, only this time focussing on planting, harvesting, and things that live in a garden.

**"Success is going from failure to failure without losing your enthusiasm." Abraham Lincoln**

### Math and Science

Last week I asked how many seeds are in a pumpkin. I can tell you that in the pumpkin we cut open last week, the children guessed from 6 to 1,000, and the actual number was 489!

To thank God for our Bountiful Blessing we are going to plant some of the seeds that came from the pumpkin and track how long they will take to grow!

Check out the Pumpkin Reports hanging in the 4-year old room to see our scientists at work!
